## THE VINCENTIAN PLEDGE

As far as we are able:

**We PROMISE** to do all we can to make Christ's Law of Love prevalent among all men and women, practicing the spiritual and corporal works of mercy.

**We PROMISE** to sanctify ourselves through prayer, attendance at mass and frequent reception of the Sacraments in order to fulfill better our duties as Vincentians.

**We PROMISE** to visit the Poor and the Sick in their homes, and institutions in order to provide their needs both spiritually and materially.

**We PROMISE** to impart knowledge of our Faith to our friends in need and those with whom we come into contact, by sharing our Faith and the Good News with them by our actions.

**We PROMISE** to participate in the annual retreat and the 2 feast days of the Society so that our zeal for souls may be rekindled.

**We PROMISE** to help advance the works of mercy by our offering in the secret bag collection within our means.

**We PROMISE** to increase the influence of the Society by convincing qualified people, especially young men and women to join the Society and to guide them with our experience.

**We PROMISE** to pray for each other, so that we may be strengthened in our vocation as Vincentians.

## NATIONAL PRESIDENT'S ADDRESS

Fellow Vincentians the year 2020 will go down in the annals of history as one of the most unpredictable in modern times. It was a year that challenged the very operation of the SSVP. It challenged our commitment to our mission, our creativity in achieving our mission and our ability to overcome numerous obstacles with which we were confronted.

*Mary Charles*

I am filled with a sense of immense gratitude for the quality of members and our ability to triumph in the face of adversity. In all Councils and Conferences Statewide,

members put the needs of others above the fear and uncertainty of Covid-19. Indeed, the Spirit of Frederic Ozanam and St. Vincent de Paul was truly reflected in our individual and collective actions. We thank God for the guidance and blessings that we received, conscious of the fact that everything was accomplished through his grace and mercies.

The year 2021 is one of celebration for the SSVP as we mark our centennial anniversary. In this year we must pledge to enhance the great tradition of the men and women who led the way in building the SSVP in the State of Grenada. We must be forward thinking, proactive and seek opportunities to bring changes where necessary. To accomplish this, we must operate from a position of knowledge, efficiency and effectiveness while laying the foundation for long-term sustainability.

We must build the knowledge base of all members through training. It is important that we are aware of emerging policies and focus areas of the international SSVP and adjust accordingly. Two of the most current issues are Safeguarding and Poverty and Systemic change. During this year, training will be offered in these areas; and I look forward to the participation of members statewide.

The efficiency of our work and the level of effectiveness with which we operate will have a direct impact on the lives of those we serve. It means, therefore, that all our conferences and councils must be operating well. There are a few conferences in which our hard-working members are facing serious challenges including failing health, declining membership and inability to function within the approved statutes despite their best efforts. In these instances, I encourage the Particular Councils to intervene where necessary and render assistance in addressing these challenges. We must do all in our power to ensure that all our conferences are vibrant entities and can remain in service to others. I note with gratitude the successful efforts made by the Victoria Conference to recruit and install new members.

The foundation must be laid for the continued operation of the SSVP for an additional one hundred years. This entails diversifying our operations to target different groups. The Mini Vinnies program is a key component of this strategy. I applaud the foundational work done so far by the Mini Vinnies Committee to get the program operational at the Primary School level. It is important that children are brought into the SSVP as Mini Vinnies, grow into Young Vincentians and transition into adult members. I encourage the committee to continue its noble efforts towards the launch of this program.

Our achievements in Grenada will not be possible without the invaluable support from our benefactors internationally and locally. To the Société Générale in Paris we thank you for support rendered in our response to the Covid-19 pandemic. To the Council of England and Wales and the Council of Canada, we thank you for your twinnage support. Such support is a critical element of our operations and we are extremely grateful, particularly in the context of Covid-19. Special gratitude to Stephen Hogg who has rendered invaluable support services to Grenada. We wish him all the best in his future roles. Thanks to persons in the diaspora who provided support to the National Council and various conferences.

To all our local corporate citizens who have contributed and supported our operations, we thank you sincerely and we appeal for your continued support. To the many individuals who support our conferences within the various parishes, we thank you.

To His Lordship Bishop Harvey and members of the clergy, we thank you for your support and collaboration in the various parishes. To Michael J. Nizankiewicz, International Territorial Vice President, America 1 and Mary Rose Knight Regional Coordinator, we thank you for your support and advice.

To all our members who bring life into the Society by living and executing our mission every day, I thank you for your selfless dedication. May the blessings of God be extended to each of you, and may we all be strengthened and inspired by the following quotation; *Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain. (1 Corinthians 15:58)*

Thank You

Sr. Mary Charles

## NATIONAL SECRETARY'S REPORT FOR THE YEAR 2020

*Cecilia Thomas National Secretary*

Fellow Vincentians, I am eternally grateful and blessed to have been given the opportunity to serve as your National Secretary on the National Council. ## 1. MEETINGS

The Annual General Meeting scheduled for March 29, and all island-wide National Council meetings were cancelled because of the Covid-19 Pandemic.

The National Executive held nine (9) meetings to plan and execute the activities of the SSVP during the period under review. Two of those were held at Norton's Hall (January and February) while the other seven (7) were held virtually via the Zoom platform.

## 2. STRATEGIC PLAN IMPLEMENTATION

### **3. NATIONAL PROJECTS**

National projects aimed at poverty reduction were initiated as outlined below:

#### **Housing Projects**

One housing project sponsored by the Council of England and Wales and managed by the Petite Bacaye Conference was completed. The new structure is in La Calome, St. David's, on land which was secured by the SSVP from the Government of Grenada for the recipient. As a result, the family is in a much better space as per the before and after pictures below.

*Before*

*After Construction*

The St. Leo's housing project which was started in 2017 remains incomplete. Attempts are continuing to have the project completed.

#### **Agriculture**

Food security was a key desired outcome of the work of the Society. The following agriculture projects were geared at supporting food security:

- Two Cattle Projects one at Holy Cross R C. School and the other at Byelands, sponsored by the Council of England and Wales continue to be very successful
- One Sheep project which was also sponsored by the Council of England and Wales has not been very successful because of constant attacks by stray dogs in the area
- A Cassava project which was sponsored by the Tivoli Conference and well-wishers who reside in England has been very successful, since the products are now ready for harvesting and the members are sourcing market

Tivoli Cassava Project

Byland Cow Project

### **Bishop Vincent Darius Granny Scheme**

This scheme continued to serve the needs of vulnerable, elderly citizens throughout the State. Currently there are eleven (11) recipients in the scheme. Our brother Joseph Hall a recipient of the scheme passed away this year and we pray that his soul will rest in eternal peace.

RIP

### **Covid 19 Projects**

To render support to the needy and vulnerable families who were affected by COVID-19, SSVP saw the need to increase the level of assistance provided to citizens. As a result, in May 2020 the SSVP applied for and received the sum of EC\$8333.50 from our international body based in Paris. This cash was used to purchase food hampers and hand sanitizers for distribution to the needy. Conferences donated additional funds as necessary. In total \$10,541.96 was spent.

A donation in the sum of EC\$9,880.23 was received from the Grenada Voluntary Hospital Association in June 2020 to render further assistance and support to more families. Cash disbursement were given to each of the 32 conferences which supplemented with their own funds when necessary. The total spent was EC \$10,459.00. The combined total was \$21000.96

#### 4. CONCLUSION

The year 2020 can be referred to as one of the most challenging years for the Society due to the Covid -19 Pandemic. In this context, the National Council is extremely grateful for the support of Stephen Hogg and the Council of England and Wales, and the Council of Canada for ongoing support to their twinned conferences.

Additionally, a heartfelt thank you must be extended to the International body of the SSVP and the Grenada Voluntary Hospital Association who donated cash in a time of great need so that the Society was able to render further assistance and support to more families affected by the pandemic. These interventions ensured that the lives of the vulnerable and less fortunate were improved.

May God's blessing be with all our benefactors as we continue to build a network of charity across the continents.

*Sis Cecilia Thomas, National Secretary*

## National Treasurer's Report

For the period 1<sup>st</sup> January to 31<sup>st</sup> December, 2020

Greetings to you my dear Vincentian Brothers and Sisters and congratulations as we celebrate 100 years of service to the poor, indigent and vulnerable in Grenada.

Again, it is with great pleasure that I hereby present the Statement of Receipts and Expenditures for the period 1<sup>st</sup> January to 31<sup>st</sup> December 2020. Please be aware that there were no major changes in the Internal Control and/or Accounting System during the reporting period.

Though the Statement of Receipts and Expenditures 2020 recorded a deficit year, it was not really as a means of operations but mainly due to the fact that project funds for 2019 was paid and a reduction in fund raising receipts.

By all means 2020 was not a normal year international and more over locally. The COVID-19 pandemic which started in early 2020 is still with us today and is uncertain when it will end. As a Country and Council, we had to adjust our operations. However, we have to give THANKS and PRAISES to God for His many blessings, guidance and protection.

Permit me to give a very **special Thank You** to our Brothers and Sisters from the UK and Canada and other well-wishers for continuing their overwhelming support to us both financially and otherwise. The UK gave financial support in the form of Twinnage to Conferences (29), Bishop Darius Granny Scheme, National Council and Special Projects. Canada gave financial support to Twinnage for Conferences (4) and Particular Councils (2). Indeed, our International Office gave COVID-19 financial support as well as a UK Grenadian Organization. This means that more benefits were given to poor persons in Grenada.

Generally, it is a known fact that a large portion of our funds are from other countries and this was very evident in this period which is very appreciated because we were unable to host many of local fund-raising activities. Therefore, we must be concerned about World affairs, because they are a threat to us directly and indirectly; especially, due to the rise and fall of the exchange rates. In this regard, let us continue to pray for World peace, health and stability, as well as for economic prosperity, especially for those who have and can help us financially. Also, a very special thank you to those who organized and supported the National Raffle and the St. George's Particular Council take-away lunch. However, still more could have been done.

### ***Congratulations!***

I must also say thank you to the many individuals and business organizations that supported us in various forms. We do hope that they will continue to support us in the future. As we continue to work with the poor and market our workings with the poor, I am certain that more support will be given.

Thanks and praises to the Almighty God for His mercies and goodness to me. To everyone who supported me in any form, thank you and May God bless you.

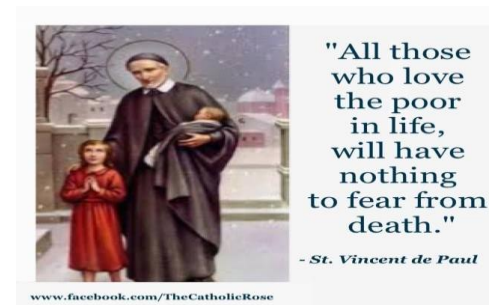

To the members of the National Executives, the Office and all those who contributed toward this position and the office, **THANK YOU!**

I must also say a very special thank you to our Office Assistants. To Sister Theresa Williams, who has retired, it was indeed a pleasure working with you. Your knowledge and experience were an asset to us. I do hope that you will continue enjoy a healthy retirement and God's richest blessings. I am happy to welcome, Miss. Alicsha Kristy Scott. I do hope that that you will enjoy your stay with us and that you will provide a high degree of professionalism to the office.

As we celebrate 100 years of existence in Grenada, we must plan for a better and brighter future of growth and sustainability both financially and membership. This will help us to bring more prosperity and benefits to the Society, Communities, and to those working with and for the poor in Grenada.

Brothers and Sister let LOVE be our guide! I want you to always remember to put Christ in all that you do, as we continue to serve the poor to the best of our ability.

To ALL, may God bless you and keep looking over you.

Yours in true Vincentian Spirit,

Stephen R. John

Treasurer

## MINI VINNIES AND YOUNG VINCENTIANS

The Mini Vinnies and Young Vincentians are branches of the SSVP (Society Of St Vincent De Paul) with programs that seek to empower Primary School Children (Ages 7-11) and Secondary School students (11-17) to develop attitudes to become advocates within their school community for Community Development.

### **The primary objectives of the programs in Grenada are to:**

- Build capacity among young people for continuity and sustainability of the SSVP in Grenada.
- Bring Young people in Grenada closer to Christ by assisting them to apply the Gospel in their lives through community work especially in relation to bringing love and comfort to the poor and needy within their Community.
- Assist in developing an attitude of citizenship from a tender age.

To achieve these goals, a committee comprising Vincentians from the National Executive including the National Youth Coordinator and members of two local conferences was formed. These members met on a regular basis to determine the activities needed to initiate the programs.

### **Activities Undertaken:**

- Training by a team of Vincentians from England and Wales. The training team informed and discussed with the Grenada team, ideas for successful implementation of the program, among others.
- Meeting and discussions with the National President and other members of the National Executive on the contents of the program and the possibility of the imminent launch in the latter part of 2021.
- Meeting with the Bishop of the Diocese, Bishop Clyde Harvey, to appraise him of the program and to solicit his endorsement and recommendations for implementation.

- Informal discussions with the Principal of St David's Primary and Secondary schools where it is hoped that the program will be launched.

**Next key steps in the process to implementation are:**

- Gain final approval from principals and committed teachers at both schools for successful roll out.
- Seek further training for the team members and initial training for volunteer teachers.
- Seek continued assistance from team in England and Wales for training mentioned above.

*It is the hope of the present committee that with the guidance of the Holy Spirit the programs will be successfully launched, and the objectives will be achieved.*

## CARRIACOU PARTICULAR COUNCIL REPORT

*Mrs. Marie Alexis, President*

Under this Particular Council, there are three functioning conferences: The Holy Rosary Conference at L’Esterre, St. Lawrence Conference at Harvey Vale, and Petite Martinique Conference. The Council is led by Sis Marie Alexis.

### CONFERENCE STATISTICS

Conference Name	President	Secretary	Treasurer	Number of Members	Number of Clients	Meeting Schedule
Petite Martinique	Geanelle De Roche		Diana De Roche	7	30	
<b>Holy Rosary</b> L’Esterre	Beulah Joseph	Adella Joseph	Felice Caton	7	8	Fortnightly on Thursdays
<b>St. Lawrence</b> Harvey Vale	Marie Alexis	Hilaria Hamlet	Dina Augustine	7	8	Fortnightly on Wednesdays
<b>Total</b>				<b>21</b>	<b>46</b>	

During the period under review, we had many challenges due to the COVID-19 pandemic. As a result, we reduced the number of our meetings and had a limited schedule of activities during the entire year. St Lawrence conference held meetings in October and December 2020. Despite the challenges, we were able to accomplish a number of activities on both islands as outlined below.

## **CARRIACOU**

Visitation - Both conferences visited the sick, shut-ins and bereaved families. Members delivered food hampers to many families. The photos at the end of our report illustrate these activities.

Celebrations -The Feast of St. Vincent de Paul was celebrated on 27<sup>th</sup> September at L'Esterre Holy Rosary Church. The chief celebrant was Father Andrew Bernard. Father Andrew in his introduction to the Sunday Mass, reminded the congregation that we were celebrating the Feast of St. Vincent de Paul. Brother Bernard Alexander gave a summary of the life and work of St. Vincent de Paul, and how the Society began. He also implored young people to join the Society. Members read the scripture for the Mass, presented the offerings, and recited the Society pledge.

Spirituality- Members shared scripture readings from the manual and other religious books and led and participated in the Stations of the Cross and Holy Mass.

### Other Activities

During the COVID-19 lockdown we kept in touch with each other via the social media and accomplished the following:

1. S.S.V.P Carriacou sold raffle books to assist the national S.S.V.P fund raising efforts
2. St. Lawrence Dollar Day collection in October realized \$88.90
3. Contributed \$200.00 to the bereaved family of a deceased person
4. SSVP Harvey Vale St. Lawrence held meetings in October and December 2020
5. Contributed \$200.00 towards medical expenses to a former member
6. Both conferences ensured that needy families received food support
7. \$1000.00 was given to British nationals for food support as they were financially strapped for cash while being stranded in Carriacou in April of 2020.

### Goals and Projects for 2021

The goals for 2021 include the following:

1. Visit to Petite Martinique Conference
2. Completion of the locally organised annual raffle by September. Members will contribute to all the prizes.
3. Recruit young adults to Society

## EASTERN PARTICULAR COUNCIL REPORT

*Mrs. Margaret Wilson, President*

The Eastern Particular Council (EPC) encompasses thirteen conferences and touches two parishes, St. Patrick and St. Andrew. It is spread over six church Parishes. The EPC has eighty-seven members who serves one hundred and thirty-three vulnerable people within the various communities. The EPC executive comprises the following members:

<b>President</b>	-	Sis Margaret Wilson	<b>Secretary</b>	-	Sis Nathifa Mitchell
<b>Vice President</b>	-	Sis Miriam Thomas	<b>Treasurer</b>	-	Joseph Noel

Members of the EPC met four times for the year. In order to make our work more meaningful, the EPC established a team and visited a conference area or two every month. The period under review has been a challenging one for both members and clients alike. Members were eager to serve their clients but in doing so, had to be very cautious that they did not expose themselves and hence their family members to the Covid-19 virus.

During 2020, members discovered that more people lost their employment status, so the limited funds which conferences had, were stretched to render the needed assistance. Our members had to assist people to cope and to think of new ways to adjust. In addition, social interaction was limited. People were unable to attend funerals, Mass, go to supermarket, visit the beach or to travel. The entire fabric of community social interaction was affected. This led to frustration, disorientation and emotional confusion. It was a real challenge.

The Covid 19 pandemic helped members to grow spiritually. It heightened their awareness of their helplessness and helped them to discover the needs of their less fortunate brothers and sisters. It helped our community spirit to grow and made our work more meaningful. A list of our work is outlined below:

## ACCOMPLISHMENTS

1. Conferences received and distributed masks, sanitizer, and foodstuff to their clients. In some cases, conferences spent more money than received from the National Council to give a substantial package to their clients.
2. The EPC was able to give a child from each conference attending secondary school for the first time, a gift of one hundred dollars. Visited all grans and gave a small token
3. Donated a box of pampers to the Cadrona Home For The Aged.
4. Visited projects that existed within the PC
5. Visited several clients in their home setting
6. Exchanged correspondence with twin conferences
7. Some conferences attended a retreat within their parish area
8. Conferences accompanied the Parish Priest in taking communion to the sick
9. Assisted in the distribution of Caritas goods
10. Three conferences celebrated the birthdays of clients within the conference. We congratulate them.
11. Donated five hundred dollars (\$500.00) to a patient through the National Council.
12. Participated in the annual raffle and sold the greatest number of tickets.

## GOALS 2021

The EPC looks forward to:

1. Giving full support to the upcoming centennial celebrations
2. Having all conferences aggregated
3. Establishing a junior conference
4. Doing a membership drive
5. Ensuring that all conferences are functioning well
6. Having two spiritual sessions
7. Ensuring that all conferences correspond with their twin
8. Organise and carry out two training sessions
9. Visit all conferences.
10. Assist in getting inside toilet facilities for at least one family

## CONCERNS

1. Not all conferences are functioning effectively
2. There is need for new members with new ideas

## ACTIVITIES & PROJECTS

Due to the Covid - 19 Pandemic, conferences reported that regular meetings and visitations were not done during the year under review. Some conferences held zoom meetings, and, in many cases, physical visits were replaced with phone calls to shut-in clients throughout the parish, and the dropping of items. Members from the six conferences attended and participated in the Feast Day Celebration which was held at the St. Martin's De Porres Church, Crochu on September 27, 2020.

There was a drastic increase in the number of hampers given to clients and vulnerable persons. Members were involved in identifying, purchasing and distributing food items to persons in need, from the two major Covid-19 Projects which were sponsored by the National Council during the national curfew period. In addition to other food projects, Caritas distributions were continuous throughout the year.

We take this opportunity to express thanks and appreciation to the National Executive and our benefactors for their continuous support towards our efforts, as we strive to bring comfort to the persons most in need throughout our geographic community.

We also express our sincerest condolences to members who would have lost loved ones and clients who would have passed during the period under review.

<b>Vice President</b>	-	Sis Paula John	<b>Treasurer</b>	-	Bro Michael Gellineau

The elected executive members and floor members comprising of at least two representatives from each conference meet monthly, while the council meets quarterly.

During 2020, the Council faced many challenges due to COVID-19 pandemic. We were unable to hold regular meetings and did not meet all our goals as planned, but by the grace of God and with the help of the National Council and members we did the best we could have done.

The PC distributed \$100.00 to each conference to assist in the distribution of food hampers to the needy. The PC also hosted a successful luncheon in lieu of the annual dinner to support the financial operations of the National Council. All conferences participated fully in the Covid-19 relief projects organised by the National Council and attended the Feast Day celebrations. Both Beaulieu senior and Grand Anse contributed masks for distribution to the needy.

Conferences were also negatively impacted by Covid-19 and many were unable to hold meetings and conduct regular activities including visitations and fund raising. Some conferences specifically Beaulieu Jr., Cathedral Conference and St. Paul's conference continued to struggle to recruit new members.
